Mr. Jeffrey D. Clay  
206 West Jason Drive  
Ringgold, Georgia 30736

Dear Mr. Clay:

I would like to take this opportunity to thank you for the performance you made for the Head Start children of Catoosa County. The children really enjoyed watching you jump the cars, and jumping over the Head Start children. I am sure it was thrilling to them.

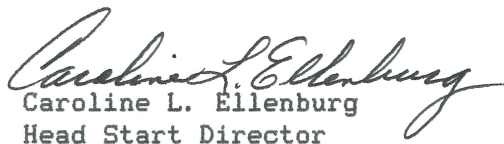

It is exciting also that the Catoosa County Head Start will further benefit from the Ft. Oglethorpe Kiwanis Club. We really appreciate the contribution the club is making to off-set the high cost of medical/dental bills for the children that have no other resources.

It is people like you and civic organizations that make the Head Start Program a great success. I want to encourage you and your fellow club members to visit the center anytime and see what the children are doing in their classrooms. You can call Diane Goggins, Lead Teacher at Catoosa County Head Start, (706) 935-3697, to set up a time if you or any member of your club would like to participate in any of the center activities. Otherwise, just go by anytime.

Also, enclosed are copies of the pictures that Susan Dame, Computer Systems Administrator, made of the children during your performance. I hope you enjoy them.

If you have any questions and/or concerns please call me, (706) 764-1350 or 1-800-451-8205 and again, my appreciation to you and the entire Ft. Oglethorpe Kiwanis Club that is providing support and applying interest to the Head Start Program in Catoosa County.

Sincerely,

  
Caroline L. Ellenburg
